

TechMart Electronics — Shipping Policy

Delivery Timelines

Standard delivery takes 3-5 business days in metro cities and 5-8 business days in other locations.

Express delivery (available in select cities) delivers within 24-48 hours for an additional Rs. 149 fee.

Shipping Charges

Orders above Rs. 999 qualify for free standard shipping. Orders below this threshold incur a flat Rs. 79 shipping fee.

Tracking & Issues

All orders are shipped with a tracking number sent via SMS and email. If a package shows 'delivered' but was not received, contact support within 48 hours to file an investigation.
