

TechMart Electronics — General User Manual

Account & Login

Sign in using your registered email and password. Enable two-factor authentication from Account Settings > Security for extra protection.

Device Care

Avoid exposing devices to extreme temperatures or moisture. Use only TechMart-certified chargers to avoid battery damage and to keep the warranty valid.

Software Updates

Keep your device firmware updated via Settings > System > Software Update to receive the latest features and security patches.

Contact Support

For further help, use the in-app chat assistant, email support@techmart.example, or call our helpline listed on the TechMart website.
